Projects

Full Stack Developer — January 2024 - Present
Music Tracker App

- Music Tracker is a Letterbox-inspired web app for tracking and rating music.
- Responsible for **ideation, design, development, testing, and deployment.**
  - Stack: React, Express, MySQL, and Vercel.
- Incorporated social media functionality, allowing users to follow other users, create posts, and edit their account.

Web Developer — September 2024 - Present
Personal Portfolio Website

- Duties include **designing, developing, and maintaining** my portfolio website.
  - Stack: HTML, CSS, JavaScript, and GitHub Pages.
- Intended to showcase the projects I have developed over the years, both small and large.

Work Experience

Tractor Supply Company
DeMotte, IN

Team Member — May 2021 - Present

- Provided **customer service**, inventory control, **management** over animal and farm quadrants, store-wide sanitation, and forklift operation.

SP19 American Kitchen and Bar
DeMotte, IN

Fry Cook — April 2020 - May 2021

- Prepared and presented food, sanitized work stations, and disposed of waste.

Dishwasher — April 2019 - April 2020

- Prior to my promotion to fry cook, I cleaned and dried dirty dishes and cookware.
